HR on demand

For foreign employers that employ staff in Belgium

- Processing the Belgian payroll and translating the payroll issues in a way that it is understandable for the foreign company
- Drafting contracts and policies according to the Belgian law taking into account the intern rules of the foreign company
- Acting as a social security mandatory, when requested

For Belgian SME companies

- Step 1: check the compliance of the social legal documents and the payroll with the Belgian legislation
- Step 2: introduce procedures in HR and the salary policy to prepare the company for further growth
- Optimization salary packages (costs proper to the employer, bonuses, ...)
- Step 3: follow up implementation
- On site and from a distance
